

Welcome

to Barnton Community Primary School

At Barnton Community Primary School we believe that every child is entitled to the very best education that we can provide. We offer an enriched curriculum with high quality learning experiences - leading to a consistently high level of pupil achievement, developed emotional and spiritual awareness and greater aesthetic

appreciation. Working together with parents and carers, a superb range of experiences are designed to prepare each child for the next stage of education and the challenge of growing up.

If I Owned Autumn...
I owned Autumn,
would make the trees dance,
and let the clouds make way
for the shining golden sun.

If I owned Autumn,
I would leap from the emerald
to the amber leaves, swimming
down to earth where they
the tickly, frosty grass.

**Tasks closely
matched to
each child's
ability**

**We're proud of
our school and
its achievements**

**Enabling pupils to become valued
and self-respecting citizens**

**A full programme of
extra-curricular activities, including
a before and after school club**

**Committed to
supportive
relationships with
parents and the
wider community**

**Our grounds
are second
to none**
