

All children – regardless of gender, starting point or background – will have the opportunity to engage with a high-quality PSCHE education. They will be equipped with the knowledge, skills and vocabulary to understand that they need to lead confident, healthy, independent lives and to become respectful, active and responsible global citizens, so that they leave our school confident and assured of their place in this diverse and changing world. We intend to inspire a sense of enjoyment and curiosity about PSCHE.

No Outsiders:

Relationships - Friendships

Autumn 2

Key Vocabulary:

- Exclusion
