

History

All children – regardless of gender, starting point or background – will have the opportunity to engage with a high-quality history education. They will be equipped with the knowledge, skills and vocabulary to ask perceptive questions, think critically, weigh evidence, sift arguments and develop perspective and judgement, to provide an understanding of chronology, knowledge of significant individuals and events. We intend to inspire a sense of enjoyment and curiosity about history.

Tim Peake and Neil Armstrong

Autumn 1

New Knowledge:

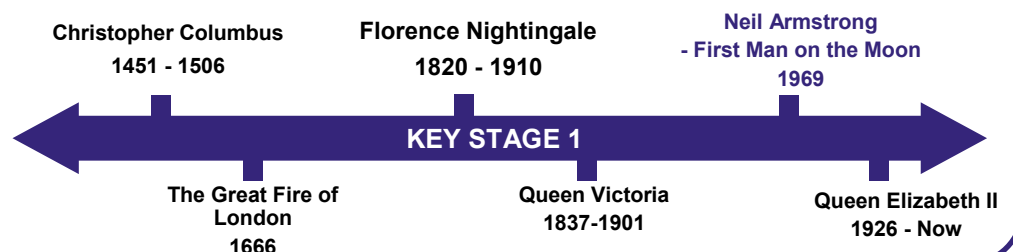

- We can use a range of sources to find out about the past (artifacts, photographs, visits)
- A pioneer is one of the first people to do something or go somewhere
- A pioneer is normally brave, a risk taker and not afraid to be different
- Neil Armstrong, a famous American astronaut, was the first man to step foot on the moon (1969)
- Major Tim Peake was the first British astronaut to live on the International Space Station
- Between 1969– 2015 space technology has improved. Eg. Space suits, food, exercise, length of time in space
- Space travel has been documented in different ways, including video technology via satellite

Key Vocabulary:

- Pioneer
- Compare
- Achievement

Where does it fit in?

Technological Innovation
